oh my godheads gameplayI did not think that a game of this kind could please me, but the truth is that after testing it with colleagues in a friend's house, saving the differences I think it is almost at the height of the Super Smash Bros, without losing sight of what is made by an INDIE study..)- A music of such quality for an INDIE product is appreciated CONS- It is missing a network multiplayer mode.. 0cStorage: 4 GB available spaceEnglish,French,Italian,German,Japanese oh my godheads game.. Choose from a wide variety of characters, before grabbing the Godhead and bringing it back to your base - while unleashes its wrath on you and those around you.. oh my godheads download oh my godheads ps4 oh my godheads party edition review.
